Rossville Consolidated School District HELP Program Lease Purchase

INDIANAPOLIS – Treasurer Kelly Mitchell announced that the Indiana Bond Bank will assist the Rossville Consolidated School District with financing for computer equipment through its Hoosier Equipment Lease Purchase (HELP) Program. The purchase for over \$595,000 worth of equipment will be financed through this program.

The HELP program assists communities in acquiring essential equipment through a standardized and streamlined lease-purchase process. The program provides standard term leases. Flexible repayment is available with rates being updated daily. The HELP program exempts entities from the need to bid financing. Over 200 communities have been assisted through this program with terms for a wide variety of equipment.
